Arogya Utsav & Expo 2026

Hon'ble Prime Minister's Contributions in the Field of Health and AYUSH Promotion

Under the dynamic and visionary leadership of Hon'ble Prime Minister Shri Narendra Modi, India has witnessed a transformative shift in the healthcare landscape, with a renewed focus on holistic well-being, preventive healthcare, and the global recognition of traditional Indian systems of medicine.

Support for Traditional Knowledge and Sustainable Living

The Prime Minister has also been a strong advocate for indigenous practices, sustainable agriculture, and bioenergy, recognizing their role in both environmental and human health. Through initiatives like Vocal for Local, he has empowered small producers in medicinal plants, herbal wellness, and organic farming.

A Vision for a Healthier Bharat

PM Modi's vision of "One Earth, One Health" reflects his belief in universal well-being through integrated systems of medicine, technological advancement, and community empowerment. His leadership continues to place India at the forefront of global wellness and healthcare innovation. India is now not only healing itself-but contributing to the health of the world

Why Should Visit

The Summit is an appropriate platform that guarantees results in the form of networking, enhancing customer and business interface, interaction with researchers, government agencies, nodal agencies and individuals from all walks of life will enable you with direct customer feedback from a wider audience.

As a supplier of a product or a service, you are aware about the importance of meeting and interacting with senior personnel or owners, who have the authority to take final purchasing decisions.

The Summit provides you an excellent opportunity to meet relevant people that are responsible for recommending products and services on behalf of their organizations and can help your business with an effective route to the market.

Whatever be the size or nature of your company, if your products and services are related to the health and wellness industry and adhere to the principle of 'Paradigms of Holistic Health', you should be exhibiting at the Arogya Utsav & Expo-2026.
